

## ECPC Checklist for Application Review

The ECPC Checklist for Application Review was developed for the U.S. Department of Education Office of Special Education and Rehabilitative Services, Office of Special Education Programs application for new grants under the Individuals with Disabilities Education Act (IDEA). The guidance contains information and resources for you to use when submitting a new application for funding under the Personnel Development to Improve Services and Results for Children with Disabilities: Personnel Preparation of Early Intervention and Special Education Personnel Serving Children with Disabilities who have High-Intensity Needs (ALN 84.325K) program. This guidance does not replace the OSERS-OSEP application packet, found in its entirety on grants.gov.

Once you have written your project narrative, use this checklist and consider the elements that the Secretary will review and score within your completed application.
